

# As a family,

embark on a National Geographic Journey of exploration and adventure; discover what the world has to offer!

Complement your other Classroom material with

National Geographic Little Kids Magazine  
or  
National Geographic Kids Magazine

an infotainment reading material at home for them to be further inspired to learn what is beyond textbooks, computers and video games.

Further, know about the National Geographic topics yourself, by subscribing to

National Geographic Magazine

Engage in interesting and exciting discussion with your child on the same National Geographic topics thereafter and be part of this

Family Education Experience!
